If you checked off the “shopping” category, please provide some examples of the main products you sell:

If you checked off “financial services” please provide a list of services your business provides, ie: accounting, debt consolidation, commercial lending, investment planning, etc.

If you don’t see a parent category you fit into already listed, please suggest a category you would like us to consider adding.

SECTION B

Additional / optional information: please fill out what is relevant and important to you and your business.

Our website has the capacity to allow you to list just the basics, or way more! It's up to you. We can personalize your listing with a featured photo, and add an intro about your business and the services you provide. Here is an example of a fully completed business listing using a featured photo and business intro.

The screenshot shows a business listing for Tibbetts Electrical Contracting Inc. on the Town of Kentville website. The listing features a large photo of the company's team and vehicles. The business intro describes the company's services and philosophy. The contact information includes the address, phone number, email, and website. The categories list includes Business Park, Certified Accountants, and Contractor.
