

The Events Committee

The Events Committee is an active volunteer committee operating as part of the Kentville Development Corporation (KDCL). It is made up of business owners, managers, organizational leaders, citizens and staff from the Town of Kentville and KDCL. The Events Committee's mandate is to promote events and create public awareness that benefits all businesses in the Downtown KDCL district. We actively solicit event information from the Town of Kentville, it's various departments, organizations and individuals, and also create our own events. The Events Committee is funded by KDCL.

In the past year the Events Committee has been involved with promotions such as Christmas, Shop to Win and Mother's Day, sidewalk sales, bike and skateboard events, Pumpkin Walk, Harvest Fest, Classic Car Show, Multicultural Festival and many more.

We are currently looking for additional committee members to meet regularly and discuss, plan and coordinate ideas and events. Your input is crucial to the marketing and success of your downtown!

Members meet once a month or less (depending on the season) for about an hour. We value and appreciate your time and will not 'load it on' with tasks!

Sincerely,

Dave Reid, Chair

davereid@ns.aliantzinc.ca or Fax 902-678-2514

YES, I'd like to join the Events Committee!

Name _____

Business/occupation _____
